

# Welcome to the Prayers and Well-Wishes Page

This page was created to help provide awareness when any of our fellow Association members have been affected by poor health, disease, or are facing other disasters in their lives. If you know of anyone in the Dogwood Association family who is in need of prayers and well-wishes, please notify the webmaster of the details.

Debbie Lindhorst, daughter of Taylor and Betty Lindhorst (lots 121 and 122), has been diagnosed with cancer in her lower esophagus and stomach. Debbie has just begun treatments so the prognosis is unclear. The Lindhorsts would appreciate your keeping Debbie in your prayers and, if you would like to send her a get well card, her address is 834 Montmartre Court, St. Louis, MO 63141.
